**RE: United States vs. John A. Burke

**OUR FILE: JAB76**

Your Honor:

Enclosed find a satisfaction of writ for defense witness Kevin Gentle. Previously, Your Honor had signed an Order producing the witness for trial testimony. I have been advised by the EDNY United States Marshall that they require an Order or "Satisfaction of Writ" to return the prisoner to his prior N.Y.S. correctional designation.

If any additional information is required please allow Anna to contact counsel for or me at any time.

Thank you for your consideration.

Most respectfully submitted,

Gerard Gardner
